Service Definitions

RTB (Return To Base/Factory):

5x9 telephone support. RTB provides a basic product warranty. The customer must return the product to the Overland Storage/Tandberg Data factory for repair. The unit will be repaired or a refurbished device will typically be shipped within two weeks.

AR (Advanced Replacement) or OverlandCare Bronze-Level:

5x9 telephone support. 2-business day advance replacement. AR offers a replacement service at no charge. The replacement part will be a repaired or refurbished device and will typically be shipped within two business days, if available. This level of service is available in most countries. See the Country Support Matrix for details.

NBD (Next Business Day) or OverlandCare Silver-Level:

5x9 telephone support. Next business day on-site service (FRUs). Advanced parts replacement of CRUs. Onsite service and support with coverage five (5) days a week, nine (9) hours a day, with next business day on-site service response time. This level of service is only available in selected countries. See the Country Support Matrix for details.

NBD (Next Business Day) or OverlandCare Gold-Level:

7x24 telephone support. Next business day on-site service (CRUs & FRUs). Onsite service and support with coverage five (5) days a week, nine (9) hours a day, with next business day on-site service response time. This level of service is only available in selected countries. See the Country Support Matrix for details.

7x24x4 (Same Day) or OverlandCare Platinum-Level:

7x24 telephone support. 7x24x4 hr. response on-site service (CRUs & FRUs). Onsite service and support with coverage seven (7) days a week, twenty-four (24) hours a day, with an average four (4) hour service response time.

This level of service is only available in selected countries. See the Country Support Matrix for details.

Please Note: Service levels and restrictions may vary from region to region. Please consult with your local Overland-Tandberg office for the service level available in your area. Please verify the service site location prior to quotation. See the Country Support Matrix for more details.
