

Application Note

November 2014

NEOs T24 Tape Library 12 to 24 Slot Upgrade Procedure

Summary

This application note describes how to install a License Key to upgrade a NEOs T24 tape library from 12 to 24 slots.

Use these steps to install the License Key:

1. Login to the library Remote Management Interface (RMI) as Admin user.

- 2. Navigate to Configuration > License Key.
- 3. Enter your NEOs T24 12/24 Slot Upgrade License Key and click Submit.
