	RDX Media

This declaration (“Declaration”) applies to the above parts/products (hereinafter referred to as “Products”) that Tandberg Data, newly puts on the market in the European Union on or after January 3, 2013, unless otherwise stated by Tandberg Data in a later dated document.

Based on Tandberg Data’s knowledge, which may be informed by its records and information from third parties, Tandberg Data declares that as of the date of this Declaration the Products Conform with material restriction requirements of EU Directive. Conformity with this Directive has been assessed for the electrical and electronic products by demonstrating compliance to the following harmonized standards:

EN 50581:2012 Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances. For purposes of this Declaration, “Conform” means that each homogeneous material (as defined by the RoHS Directive) in each of the Products contains no more than:

- (a) 0.1% by weight of each of the following substances:
Lead, mercury, hexavalent chromium, polybrominated biphenyls and polybrominated diphenyl ethers, and
- (b) 0.01% by weight of cadmium;

Tandberg Data is making use of the exemptions of ANNEX III of Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011.

Limitations for Customers: The Product information provided in this Declaration of Conformity (“Documentation”) is provided “AS IS”, without any express or implied warranty of any kind. This information is subject to change without notice; provided, however, that Tandberg Data reserves the right, in its discretion, to issue an update or modification to this Documentation if it believes it is appropriate to do so. The contents of this Documentation do not constitute either: (1) legal

advice; (2) a legal opinion; or (3) any representation, warranty, or guarantee regarding a person's ability to comply with applicable legal requirements. This documentation in no way modifies any agreements entered into by Tandberg Data.
